Dear Sir/Madam,

Please accept this letter as an expression of my interest in securing a position in your organization. I have held responsible positions in the past, which have been elaborated in the attached resume. I am looking for a career position in your organization that needs a professional team player to come aboard and make a marked difference, helping the organization reach greater heights.

During the last 7 years I have worked as **Piping Engineer in Integrated Refinery Expansion Project in BPCL- KOCHI REFINERY, Mechanical Engineer (Construction) in 204KM cross country pipeline project in Gas Authority of India Limited.** I have justifiable knowledge for the experience and responsibilities; I have covered during my past employments.

Having worked in various environments, I am confident that I would become an indispensable asset to your organization. My disciplined work habits, good vocabulary, communication skills, ability to work well with people, problem-solving aptitude, and high integrity will enable me to make positive contributions towards your company's objectives. I am very determined and enthusiastic about a symbiotic relationship and will work hard to achieve positive results. Enclosed is my resume for your review.

Thank you very much for your time and consideration. I look forward to hearing from you.

Sincerely,

SHIVA ANILKUMAR
